## Ordering Materials Using the Online Catalog

Go to: [https://arrowhead.ent.sirsi.net/client/en\\_US/MAB](https://arrowhead.ent.sirsi.net/client/en_US/MAB) or start at [www.alslib.info](http://www.alslib.info) (the ALS Home Page), click on Mail-A-Book then select “Search the Mail-A-Book Online Catalog” (which shows materials owned by Mail-a-Book). You may use the General Catalog which will show materials from all of the regional libraries, including Mail-a-Book.

- Choose to search by Title, Author or Subject. Add your desired title, topic or other query to the search box.
- Once your results come up, click on the icon/picture of the material or the title that interests you.
- Then scroll down the page using the scroll bar on the right side of the section. At the bottom you will find the individual copies in our entire region. There are often multiple formats: Paperback, Hardcover, Large Print, Audiobook, DVD +
- **You may choose a specific copy from this list and click on words “Request This Item” to the right of the listing for specific titles. Doing this will place a hold on that particular copy.**
- If you don’t have a preference about which library the item comes from, go back to the top of the page and click the blue “Request An Item” button. This will allow the computer to choose the next available item for you regardless of location. Items from other libraries are Inter-Library Loan materials.
- You will be asked to log into your account using the number on your Arrowhead Library System card.
- You will need to choose the pick-up location, where you want the item sent. Choose Mail-A-Book and we will get a notification to mail it to you. If it comes from another library, it will be mailed upon arrival.

**If you prefer to get materials from the Mail-a-Book collection specifically, you will need to select specific items.**

We will mail the materials from our collection free of charge if you are eligible for our services. We send all Mail-a-Book items in a zippered cloth bag with the return postage ready for the return trip by mail. (The return postage slip is in the outside pocket.)

### Inter-Library Loan Materials:

Things that come from other libraries arrive in paper mailing bags. Patrons must arrange to return the item by adding postage to the paper mailing bag at the post office; dropping off the item at a library; or returning the item in a Mail-a-Book zippered bag.

Inter-Library Loan materials may accrue fines if returned late (You may call to renew if needed).
